Dear Mr. Whitson,

Mr. Hamilton's letter and the enclosures add up to exactly what I told you they would.

I enclose a copy of my response.

It seems to me that this matter is about at the point where I can't let it continue as it has. The representations made to me in May, perhaps not by Dutton, were not in good faith.

Prior to that the history is similar or worse.

So, I would also like to hear from you.

Sincerely,

Harold Weisberg
